

SHELTON

college International

Hello my name is Anotai Santiwarangkun (con). Now I am at Shelton Science camp. It was very fun and beautiful. On the first day I am very scared because we not have a new friend but when I come to the room I seated with my buddy her name is Yu Simeng and English is "Candy" she was very cute and friendly with me. I very love her. she was help me everything, talk with me, not make me feeling alone. but now I am very happy. In this school we have 4 Thai student have Aom, Miki, Mo and King. we have many moment at this school. we play, laugh and do many thing togeather. They make me alway happy. They take me to picnic, shopping, universal studio and everywhere I never go or I want to go. Teacher at this school are kind and friendly. I love you ♡ Sometime I speaking wrong they try to understand me. Sometime at hight I am hungry you give me some noodle or some snacks Thankyou !. My room at the hostel very good and very clean. I very like this room. My friends in the room was very cute. I am travel many where at Singapore. It very beautiful have some park, some shoppingmall it very good country
