

My time in Singapore

• Hi! , My name is Ing , I am now 14 year old . I am Thailand girl . I am going to telling you about my short st y about Singapore . It little bit long but you will have fun and happy with my short story . Let 's get starting .

• I am in Singapore for 9 days . First day we leave from Changi Airport , Singapore by School bus . I have first met with Mrs. Korn she was very kind . We went back to Shelton International School . We live in CereLine hostel in shelton school . The room was very big . The next day , I was little bit fear and nervous because I will can't fit with friends . But when I came in to my classroom , I was very surprised because everybody are friendly . The day we went to Universal studio , Singapore . I was very fun and happy .

• Thank you This school for give me a best experience and Thank you everybody , teachers and friends for help me everything . Love you everybody . If have sometime we will see you agian 😊

See U :)
